Mark 4:8, *“Still other seed fell on good soil. It came up, grew and produced a crop, some multiplying thirty, some sixty, some a hundred times.”*

## “HEADLINES AND CONSEQUENCES OF DEALING WITH GENERATION Z”

Generation Z are people born from approximately \_\_\_\_\_ - \_\_\_\_\_.

1. Generation Z has been under raised by very \_\_\_\_\_ and often “\_\_\_\_\_” parents.
  - Generation Z is hungry to be \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_ by people that are willing to earn \_\_\_\_\_ to be heard in their lives.
  - \_\_\_\_\_ has allowed more opportunity for kids to do their own thing and therefore, they don't spend near as much time interacting with other people, including their parents.
2. Generation Z has been cheated out of most experiences of a “\_\_\_\_\_.”
  - Therefore, childhood “stuff” and “\_\_\_\_\_” really appeals to them.
  - Fun is an \_\_\_\_\_...not an \_\_\_\_\_.
3. The soundtrack of Generation Z's entire life is the \_\_\_\_\_ and they are constantly surrounded by it.
  - As a result, Generation Z has approximately an \_\_\_\_\_ - \_\_\_\_\_ attention span.
  - As we deal with Generation Z, \_\_\_\_\_ bites of information and \_\_\_\_\_ communication are important.
  - You have to work for their attention, they don't just “give it” to you.

4. Generation Z is defined as the first generation to be deeply “\_\_\_\_\_” by the age of \_\_\_\_\_. Porn is the wallpaper of their life.

- Because porn is so deeply addictive, young people today have a disturbingly distorted view of sexuality and a diminishing view of \_\_\_\_\_, \_\_\_\_\_ or \_\_\_\_\_.
- Pornography deeply desensitizes their soul.
- Porn is no longer a “struggle” it’s an “\_\_\_\_\_.”

5. Generation Z is \_\_\_\_\_. They have no memory of the \_\_\_\_\_.

- They are often called, “The \_\_\_\_\_.”
- As we communicate with Generation Z, we have to be aware of this import fact without being condescending.

6. Generation Z is \_\_\_\_\_. Little if any discussion is coming from their families and even less wisdom is coming from the internet.

- Generation Z has endless \_\_\_\_\_ but very little \_\_\_\_\_.
- They have virtually no \_\_\_\_\_.
